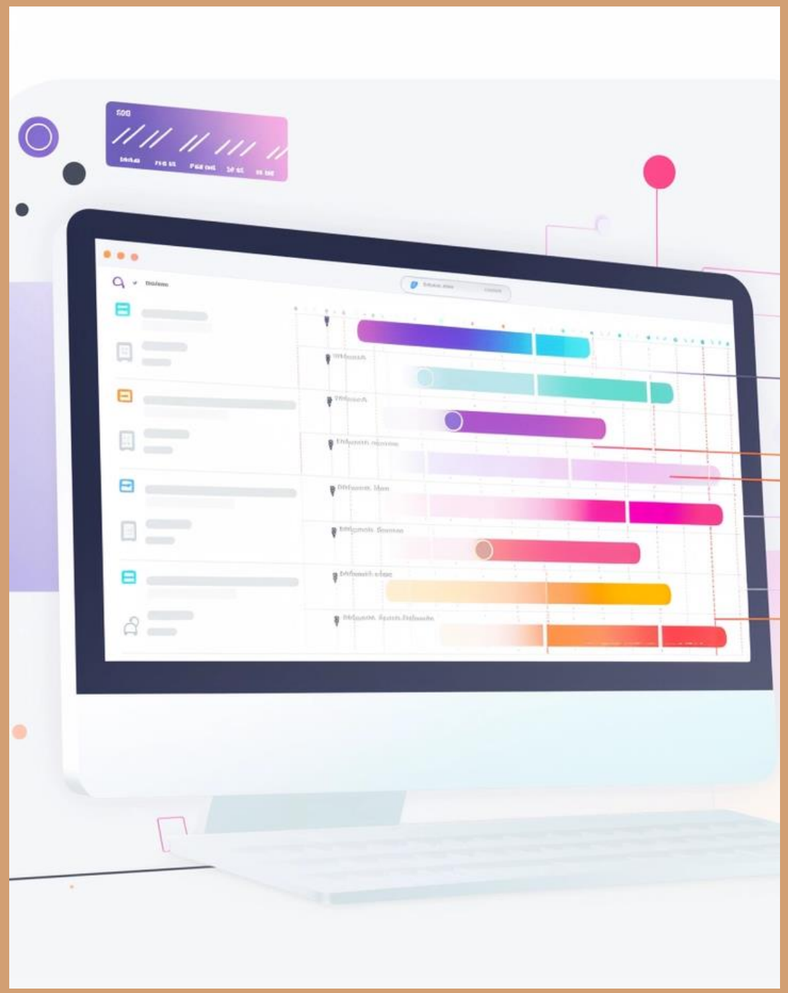
- Round 2: Addressing Challenges
- Group Presentations
- Open Discussion
- Wrap-Up and Next Steps

# Everybody onto the floor

# What innovative approach or method have you adopted for project management in your MSDI work that significantly enhanced team collaboration?



# What role does leadership play in your MSDI group's collaboration, and how can it be optimized?

**What piece of advice would you give to a new member joining an MSDI group to foster effective collaboration from the start?**

# Can you share a strategy for overcoming differences in opinion within your MSDI group?

**Describe a major challenge your MSDI group faced and how you worked together to overcome it.**

# Form groups of 4-5 people

# Sharing Successes in Collaboration

In this discussion round, we'll focus on uncovering and sharing the key elements that have led to successful collaboration within your MSDI groups.

# Objectives

1

Identify and discuss the strategies that have worked well for enhancing group collaboration.

2

Share specific examples of successful outcomes from effective collaboration.

# Discussion Prompts to Guide Your Sharing

## Identify a Collaboration Success Story

**Think of a time when your group worked exceptionally well together. What was the project or task?**

## Key Strategies for Success

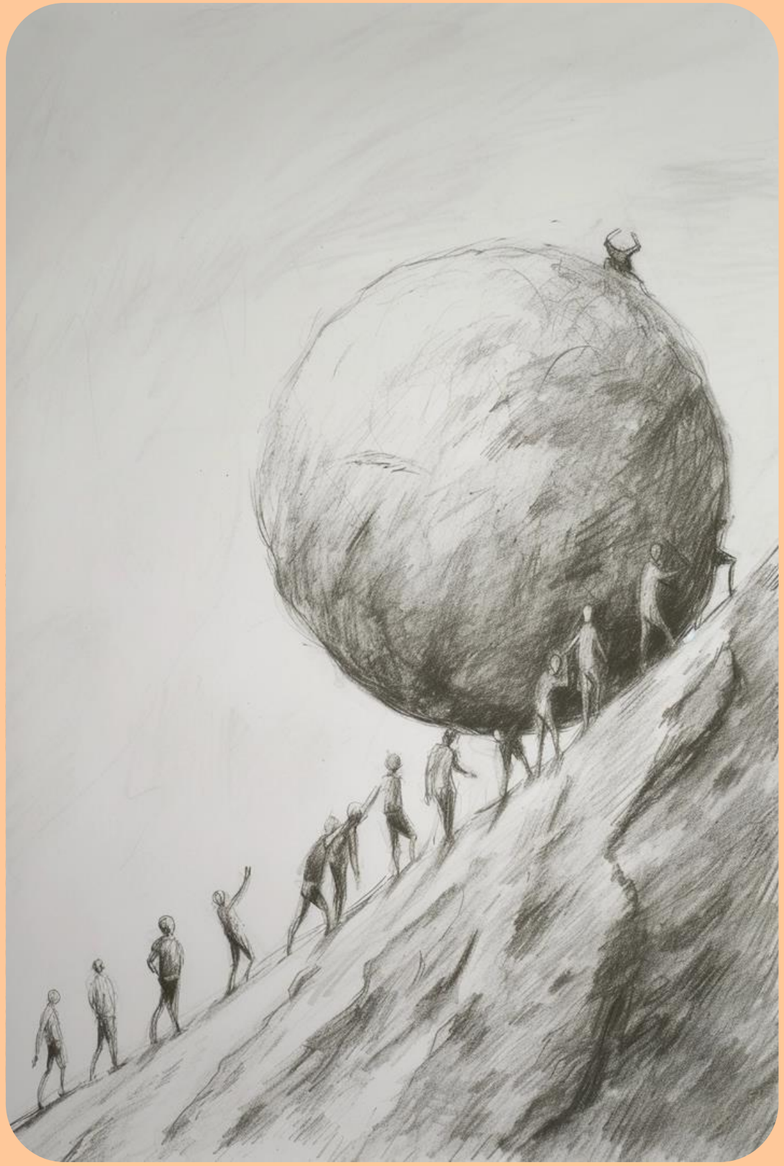
**What specific strategies or approaches did your group use to foster effective collaboration?**

## Lessons Learned

**What key lessons did you learn from this successful collaboration that you can apply in the future?**

# Addressing Collaboration Challenges in Regional MSDI Groups

Every team faces challenges. Identifying and addressing these is key to stronger collaboration.



# How to Effectively Discuss Challenges

**Identify Challenges**

Start with sharing personal experiences

**Dive Deeper**

Discuss why these challenges occur

**Solution Brainstorming**

Think creatively about possible solutions. Name at least two.

# Example

## Challenge

Miscommunication within the group

## Underlying Cause

Lack of clear roles and responsibilities

## Potential Solution

Implement a clear communication strategy and role assignments

# Group presentation and open discussion

# Thank you!
