Power Plug and Socket

In Denmark, electrical sockets and plugs are type C and F.

The voltage is 230 V and the voltage frequency is 50 Hz. If the voltage your country is between 220V - 250V (as is in Europe, Australia and most of Asia) you can use your equipment, without concerns.

in

Icebreaker

DGA is pleased to invite all ENCWG colleagues to an icebreaker event the evening before the meeting at the DGA main office in Aalborg on Monday, October 07th, at 18:00h. We will arrange a short tour around the office and our National Hydrographer, Pia Dahl Højgaard, will welcome all participants. The address of the DGA main office is Lindholm Brygge 31, 9400 Nørresundby.

From the hotel and the central train station, the DGA main office may be reached by taking the train (5 minutes), or bus line 12/13/70/71 (15 minutes) to *Lindholm St.* For further information on the public transport, please visit: [Rejseplanen](#)
