8th Meeting of the S-100 Working Group
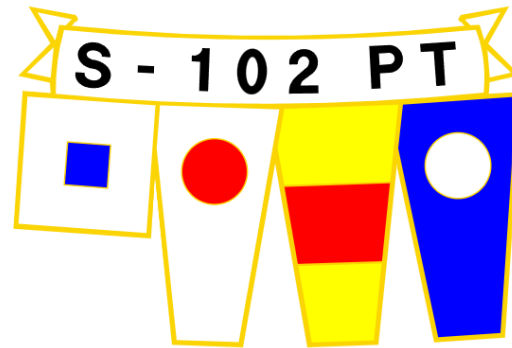

Report of the S-102 Project Team

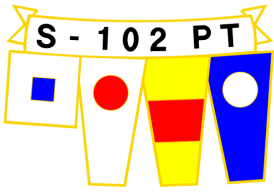

Lawrence HASELMAIER
S-102 PT Chair

Agenda Item 3.7

1. The S-102 PT has met 4 times since S-100WG7:

    a. PT11 (December 2022, Monaco)

    b. PT12 (February 2023, VTC)

    c. PT13 (June 2023, VTC)

    d. PT14 (September 2023, VTC)

2. Additionally, we held a Portrayal Catalogue discussion:

    a. June 2023, VTC

1. Published PS Edition 2.2
   a. Verified alignment with S-100 Ed. 5.0.0
2. Nearing completion of Edition 2.3
3. Elected:
   a. Lynn Patterson – CHS – Vice-chair
   b. Anna Wall – SMA – Secretary
4. Began developing validation checks
5. Established GitHub as standard development platform
   a. Still addressing minor gaps in functionality—overall progress here has been very good
   b. Official version of PS can be accessed from the repo:
   https://github.com/iho-ohi/S-102-Product-Specification

1. Develop Portrayal Catalogue (or other similar mechanism)
    a. Estimated completion: January 2024
2. Publish Ed. 3.0.0
    a. Estimated completion: March 2024
3. Begin collecting issues/artifacts for consideration as the non-nav specification is developed
    a. (ongoing)

The S-100WG is invited to note the progress made by the S-102PT.
