

S-100WG LETTER 2/2025
19 May 2025

S-100WG10 MEETING ANNOUNCEMENT AND PAPER DEADLINES

Dear S-100 Working Group Members,

This letter is to provide you with an update on the meeting logistics for the upcoming S100 Working Group meeting in Denpasar, Indonesia hosted by Pushidrosal. The dates have been confirmed from September 22-26th and the main S100WG will be held from September 22-25th and the S-102 and S-129 Project Teams will hold meetings on September 24 to 26 via breakout sessions.

The draft agenda, timetable and logistics information have been posted on the IHO Portal under the S-100WG. You will need to set up an IHO Portal Account to access the information. Please follow the instructions at this [link](#) and the portal can be accessed [here](#).

Registration for the meeting must be completed by August 15th. Late registration requests will require coordination with the host organization regarding the venue and other arrangements, so please adhere to the deadline.

Please note that papers for consideration of the S-100WG must be submitted by **August 5th** in order to give delegates enough time to consider the issue. Additionally, comment papers related to the agenda should be submitted by September 5th.

Yours sincerely,

Julia Powell
(IHO – S-100WG Chair)
